I. INTRODUCTION AND OVERVIEW

Developed by the Santa Ynez Valley Hotel Association (SYVHA), the Santa Ynez Valley Tourism Business Improvement District (SYVTBID) is a benefit assessment district proposed to help fund marketing and sales promotion efforts for Santa Ynez Valley lodging businesses. This approach has been used successfully in other destination areas throughout the country to improve tourism and drive additional room nights.

Location: The proposed SYVTBID includes all hotels, motels, and inns located within portions of the cities of Buellton and Solvang, and portions of the unincorporated area of Santa Barbara County. See the map and boundary description on page 5 for more specific details.

Services: Marketing and sales promotions to increase tourism and to market Santa Ynez Valley as a tourist, meeting and event destination.

Budget: The total SYVTBID annual budget for each year of its five (5) year operation is anticipated to be approximately \$600,000.

Cost: Annual assessment rates are \$2.00 per occupied room per night. Based on the benefit received, assessments will not be collected on stays of more than thirty (30) consecutive days, nor on stays exempted from paying transient occupancy tax according to each local jurisdiction's ordinance. Assessments pursuant to the SYVTBID shall not include room rental revenue resulting from stays pursuant to contracts executed prior to June 1, 2010.

Formation: TBID formation requires submittal of petitions from lodging businesses representing more than 50% of the total annual assessment followed by City Council and County Board hearings and an opportunity for a written protest. The assessed lodging business owners will receive notice of the public hearing by mail. If there is a majority written protest, the TBID will not be formed.

Duration: The proposed SYVTBID will have a five (5) year life. The SYVTBID assessment will be implemented beginning July 1, 2010. Once per year beginning on the anniversary of the formation of the district there is a 30 day period in which owners paying more than 50% of the assessment may protest and terminate the district.

II. WHY A TOURISM BUSINESS IMPROVEMENT DISTRICT FOR SANTA YNEZ VALLEY?

There are several reasons why now is the right time to form a TBID in Santa Ynez Valley; the most compelling reasons are as follows:

1. The Need to Increase Occupancy

The formation of the SYVTBID is a proactive effort to provide supplemental funding beyond that provided by the cities and county. The funding will ensure that adequate financing exists for the investment required to increase occupancy in the lodging industry and be competitive in the conference segment of the tourism market. The investment will cover an expanded marketing and promotional budget needed to reach this market segment.

2. An Opportunity for Increasing City and County Tax Revenues

As occupancy rates increase, so too will TOT revenues. With stable public/private funding for tourism marketing efforts, annual occupancy rates should increase significantly as new marketing and sales promotion programs are implemented. Greater occupancy will also produce an increase in sales tax revenues from tourist spending. This represents a substantial return to the Cities and County. The formation of the SYVTBID in partnership with the SYVHA creates a stable funding source tied directly to tourism promotion.

3. Stable Funding for Tourism Promotion

The SYVTBID will provide a stable source of funding for consistent tourism promotion efforts. The SYVTBID will provide funding for tourism promotion free of political and economic circumstances.

III. WHAT IS A TOURISM BUSINESS IMPROVEMENT DISTRICT?

Tourism Business Improvement Districts (TBIDs) utilize the efficiencies of private sector operation in the market-based promotion of tourism districts. TBIDs allow lodging and tourism-related business owners to organize their efforts to increase tourism. Tourism-related business owners within the district fund a TBID, and those funds are used to provide services that the businesses desire and that benefit the lodging businesses within the District.

Tourism Business Improvement District services may include, but are not limited to:

- Marketing of the Destination
- Tourism Promotion Activities
- Sales Lead Generation

In California, Tourism Business Improvement Districts are formed pursuant to the Property and Business Improvement District Law of 1994 (PBID Law). This law allows for the creation of a special benefit assessment district to raise funds within a specific geographic area. *The key difference between TBIDs and other special benefit assessment districts is that funds raised are returned to the private non-profit corporation governing the district.*

There are many benefits to Tourism Business Improvement Districts:

- Funds cannot be diverted for other government programs;
- Tourism Business Improvement Districts are customized to fit the needs of each tourism district;
- They allow for a wide range of services, including those listed above;
- Tourism Business Improvement Districts are ***designed, created and governed by those who will pay*** the assessment;
- They provide a stable funding source for tourism promotion.

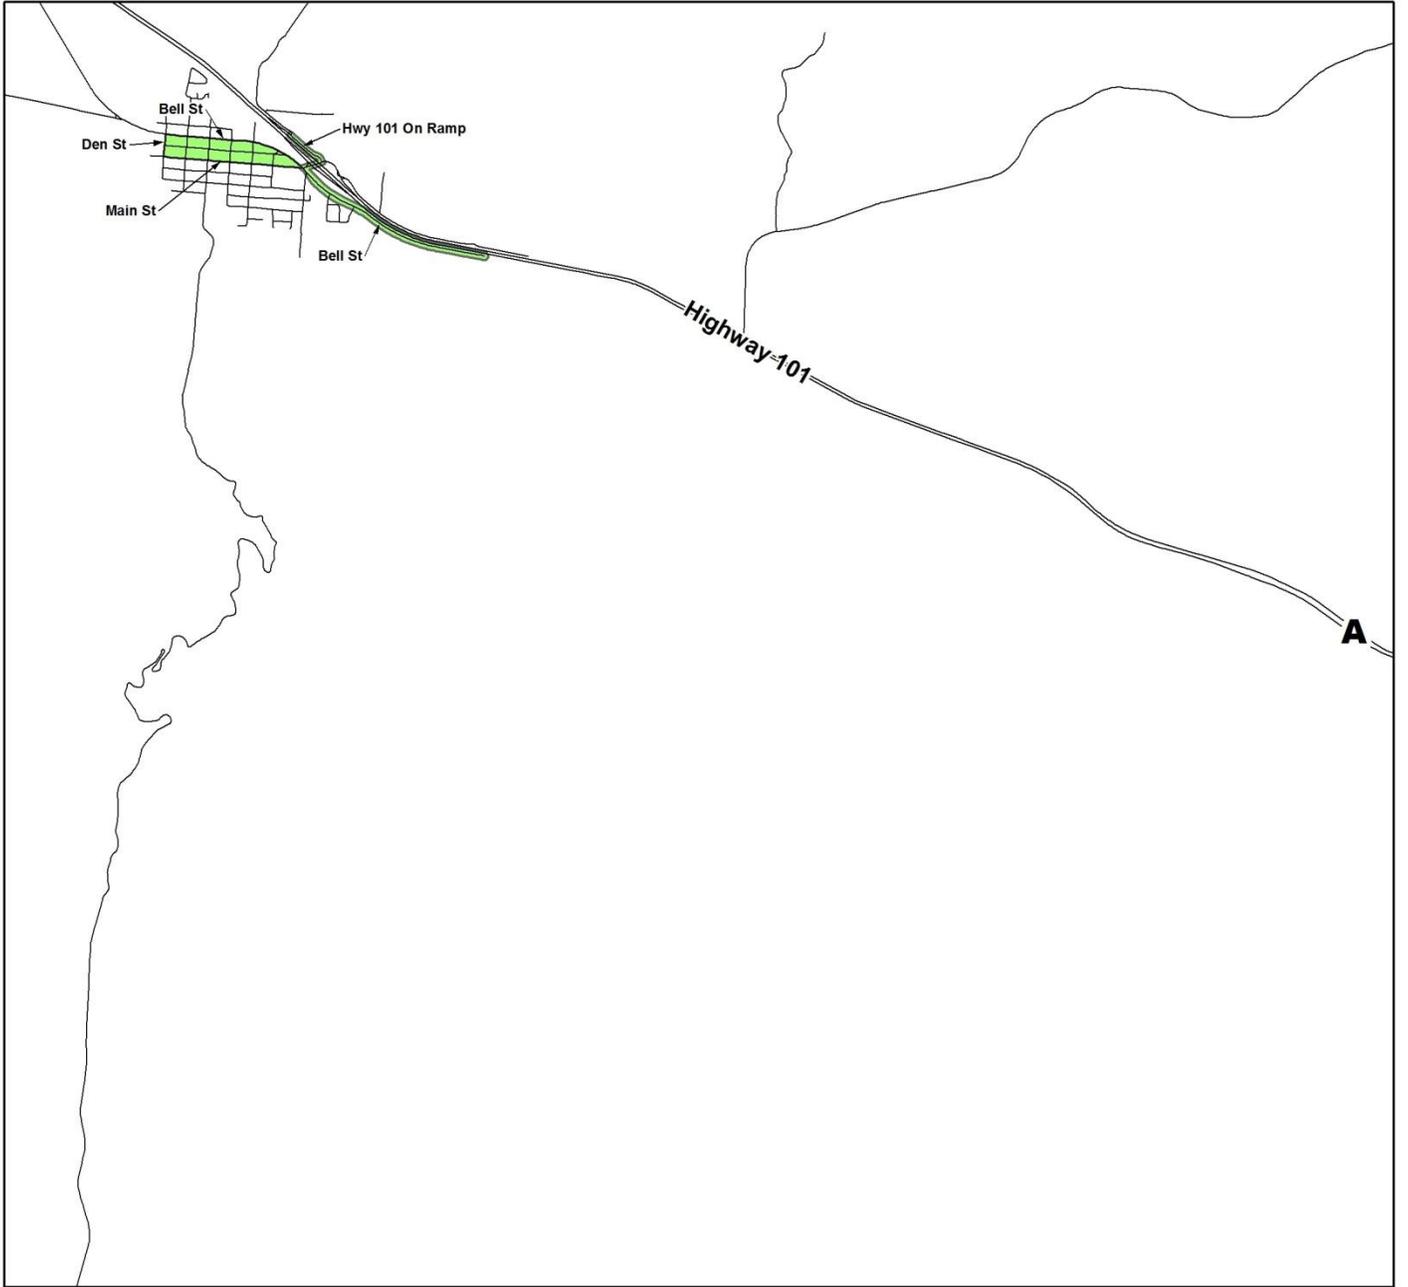

The Property and Business Improvement District Law of 1994 (AB 3754), as amended January 1, 2010, is provided in Appendix 1 of this document.

IV. SANTA YNEZ VALLEY TBID BOUNDARY

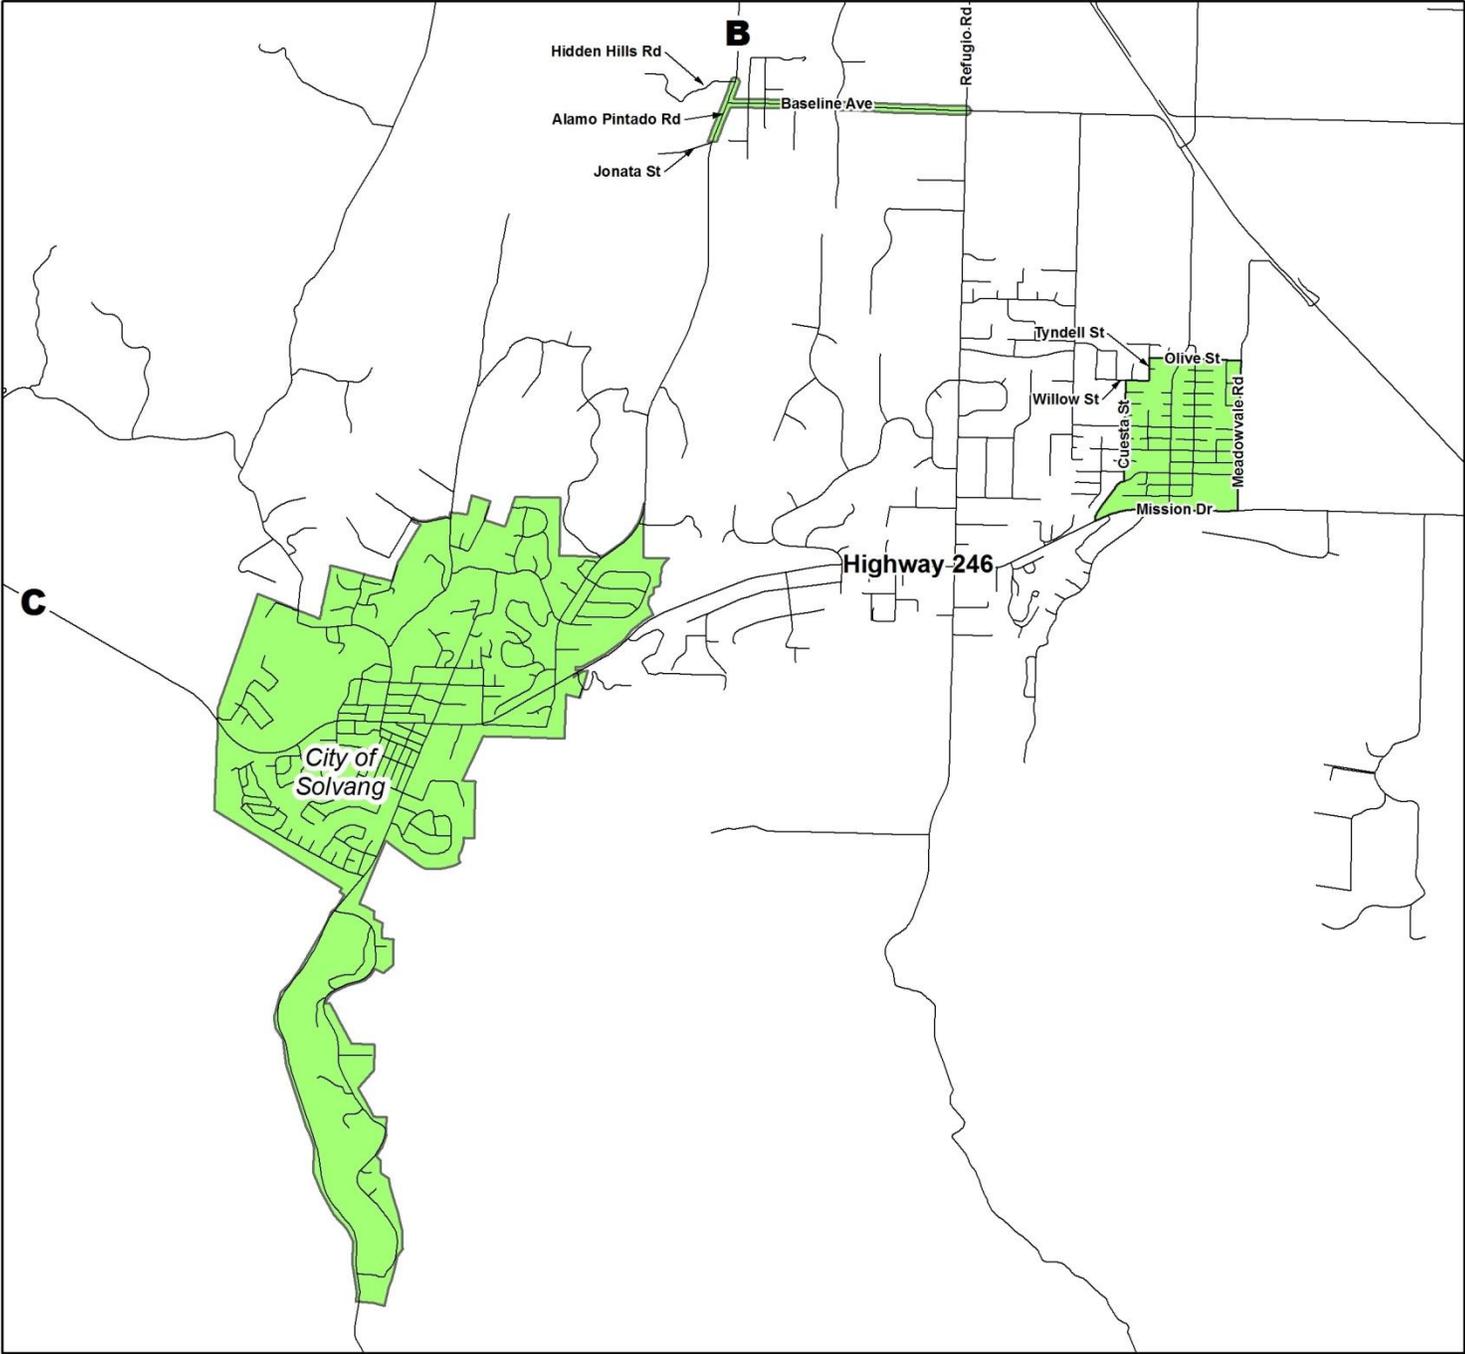

The SYVTBID will include all hotels, motels and inns, existing and in the future, available for public occupancy within portions of the cities of Buellton and Solvang, and portions of the unincorporated area of Santa Barbara County. Specifically, the SYVTBID includes lodging business lying within and directly on either side of the following boundaries:

- The city limits of the City of Solvang.
- The city limits of the City of Buellton.
- The town of Santa Ynez, bounded by Willow Street and Olive Street on the north, Meadowvale Road on the east, Highway 246/Mission Drive on the south, and Cuesta Street and Tyndall street on the west.
- The town of Ballard, consisting of Baseline Avenue between Refugio Road and Alamo Pintado Road; and Alamo Pintado Road between Jonata Street and Hidden Hills Road.
- The town of Los Olivos, bounded as follows: Beginning at the intersection of San Marcus Pass Road (Highway 154) and Steele Street, following San Marcus Pass Road (Highway 154) east to the intersection with Alamo Pintado Avenue; then following Alamo Pintado Avenue west to Grand Avenue; then following Grand Avenue south to Alamo Pintado Road; then following Alamo Pintado Road west to the intersection with Santa Barbara Avenue; then following Santa Barbara Avenue north to the intersection with Alamo Pintado Avenue; then following Alamo Pintado Avenue to Steele Street, to the intersection with San Marcus Pass Road (Highway 154).
- That portion of the town of Los Alamos bounded by Bell Street on the north and east, Den Street on the west, and Main Street on the south; also including the Highway 101 on-ramp and Bell Street east to its termination.

The boundaries currently include approximately 34 lodging businesses. Please see the map on the following pages. To view the map in its entirety, line up the letters on the edges of each portion of the map. A complete listing of lodging businesses within the proposed SYVTBID can be found on Appendix 2 of this Plan.

V. SERVICE PLAN AND BUDGET

A. Assessment

The Tourism Business Improvement District annual assessment rates are based upon \$2.00 per occupied room per night. Based on the benefit received, assessments will not be collected on stays of more than thirty (30) consecutive days, nor on stays exempted from paying transient occupancy tax according to each local jurisdiction's ordinance. . Assessments pursuant to the SYVTBID shall not include room rental revenue resulting from stays pursuant to contracts executed prior to July 1, 2010.

Bonds may not be issued.

The amount of assessment, if passed on to each transient, shall be separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the business.

B. Determination of Special Benefit

State law provides that the expenses of the district shall be apportioned in proportion to the benefit received by assessed businesses.

A special benefit is defined as a particular and distinct benefit over and above general benefits conferred on the public at large. Conversely, a general benefit is a benefit to businesses in the surrounding community or a benefit to the public in general resulting from the improvement, activity or service to be provided by the assessment levied. Many general benefits to the public at large are conveyed by municipal services, such as fire protection, police services and public transit services. These services are targeted to serve the public at large and do not confer special benefits on particular businesses.

The services in this Management District Plan are designed to provide targeted services to lodging businesses. These services are tailored not to serve the general public, but rather to serve the specific lodging businesses within the District, e.g., the proposed activities are specifically targeted to increase room nights for assessed lodging businesses within the boundaries of the District, and are narrowly tailored. SYVTBID funds will be used exclusively to benefit the assessees.

The activities paid for from assessment revenues are lodging business services creating special benefit to those businesses. In addition, these activities are not for the benefit of the general public and do not provide general benefit as defined above. All general benefits (if any) to the surrounding community and general public are intangible and unquantifiable. It is appropriate that these special business-related benefits be funded through business assessments.

C. Time and Manner for Collecting Assessments

The SYVTBID assessment will be implemented beginning July 1, 2010 and will continue for five (5) years. Each jurisdiction shall be responsible for collecting the assessment on a monthly basis (including any delinquencies, penalties and interest) from each lodging business located in the boundaries of the SYVTBID. The jurisdictions shall take all reasonable efforts to collect the assessments from each lodging business and forward them to the City of Solvang. The City of

Solvang shall forward the assessments to the Santa Ynez Valley Hotel Association (SYVHA) which will have the responsibility of managing the TBID programs as provided in this Management District Plan.

D. Service Plan Budget and Programs to be Provided:

Service Plan Budget Summary - Calendar Years 2010 - 2015

A summary of the annual service plan budget for the SYVTBID is provided on the following pages. The total five year improvement and service plan budget is projected at approximately \$600,000 annually, or \$3,000,000 through 2015.

E. Annual Service Plan:

In this plan, the City has set out the overarching message of the marketing program and some of its elements, and has left the development of the remaining details to the city-appointed owners' association, which is answerable to the City Council. A service plan budget has been developed to deliver services throughout the District. An annual service plan and budget will be developed and approved by the SYVHA Board. Please see the budget exhibit below. The budget also includes a portion for contingencies and renewal of the District. Should the SYVHA Board approve, funds may be appropriated for the renewal effort. If there are funds remaining at the end of the District term and lodging businesses choose to renew, these remaining funds could be transferred to the renewed District. If there are funds remaining at the end of the District and lodging businesses choose not to renew, any remaining funds will be spent consistent with this Plan or returned to assessed businesses in equal proportions to the assessment paid by each business.

The City Council hereby directs the implementation of a coordinated program of promotions. By adopting this Management District Plan, the City Council establishes programs that include the

messages specified herein. This Management District Plan sets forth the following contemplated activities:

Sales and Marketing

A sales and marketing program will promote the Santa Ynez Valley as a tourist destination. The sales and marketing program will have a central theme of promoting the Santa Ynez Valley and the Santa Barbara wine country as desirable places to visit, and may include the following activities:

- Internet marketing efforts to increase awareness and optimize internet presence;
- Print ads in magazines and newspapers targeted at potential visitors;
- Television ads targeted at potential visitors;
- Radio ads targeted at potential visitors;
- Attendance of trade shows;
- Sales blitzes;
- Familiarization tours;
- Preparation and production of collateral promotional materials such as brochures, flyers and maps;
- Attendance of professional industry conferences and affiliation events;
- Lead generation activities designed to attract tourists and group events to Santa Ynez Valley;
- Director of Sales and General Manager meetings to plan and coordinate tourism promotion efforts;
- Education of hospitality staff on service and safety (related to alcohol and food) designed to create a visitor experience that will bring repeat visits; and
- Education of lodging business management and the owners' association on marketing strategies best suited to meet the Santa Ynez Valley's needs.

Special Projects

Special projects funding will be utilized to sponsor special events designed to attract visitors to the Santa Ynez Valley.

Administrative and Operations

The administrative and operations portion of the budget shall be utilized for staffing costs, office costs, and other general administrative costs.

City/County Administration Fee

Each City and the County shall be paid a fee equal to 2% of the amount of assessment collected in the respective jurisdiction, to cover their costs of collection and administration.

F. Adjustments

The City approved marketing plan shall remain consistent with the budgets above. Although actual revenues will fluctuate due to market conditions, the proportional allocations of the budget below shall remain the same. The City and the SYVHA board shall have the authority to adjust budget allocations between the categories below by no more than fifteen percent (15%) per year.

VI. BID GOVERNANCE

A. Santa Ynez Valley Tourism Business Improvement District Corporation Governance

The City Council, through adoption of this Management District Plan, has the right, pursuant to Streets & Highways Code §36651, to identify the body that shall implement the proposed program, which shall be the owners' association of the TBID as defined in Streets & Highways Code §36614.5. The SYVHA will serve as the Owner's Association for the SYVTBID.

B. Brown Act and California Public Records Act Compliance

The Owners' Association is subject to government regulations relating to transparency, namely the Ralph M. Brown Act and the California Public Records Act, designed to promote public accountability. The Owner's Association of a TBID is considered a legislative body under the Ralph M. Brown Act (Government Code §54950 et seq.). Thus, meetings of the SYVHA board must be held in compliance with the public notice and other requirements of the Brown Act. The Owner's Association is also subject to the record keeping requirements of the California Public Records Act.

C. Annual Report

The SYVHA board shall present an annual report at the end of each year of operation to the Solvang City Council pursuant to Streets and Highways Code §36650 (see Appendix 1). In addition, SYVHA shall make an annual presentation to the Buellton City Council and the County Board of Supervisors. In addition, quarterly progress reports describing SYVTBID funded activities and marketing efforts will be provided to the City Councils of Buellton and Solvang, and the Santa Barbara County Board of Supervisors.

*** THIS DOCUMENT IS CURRENT THROUGH 2009-2010 EXTRAORDINARY SESSIONS 1-5, ***
AND 7, AND URGENCY LEGISLATION THROUGH CH 4 OF THE 2010 REGULAR SESSION

§ 36600. Citation of part

This part shall be known and may be cited as the "Property and Business Improvement District Law of 1994."

§ 36601. Legislative findings and declarations

The Legislature finds and declares all of the following:

(a) Businesses located and operating within the business districts of this state's communities are economically disadvantaged, are underutilized, and are unable to attract customers due to inadequate facilities, services, and activities in the business districts.

(b) It is in the public interest to promote the economic revitalization and physical maintenance of the business districts of its cities in order to create jobs, attract new businesses, and prevent the erosion of the business districts.

(c) It is of particular local benefit to allow cities to fund business related improvements, maintenance, and activities through the levy of assessments upon the businesses or real property that benefits from those improvements.

(d) Assessments levied for the purpose of providing improvements and promoting activities that benefit real property or businesses are not taxes for the general benefit of a city, but are assessments for the improvements and activities which confer special benefits upon the real property or businesses for which the improvements and activities are provided.

§ 36602. Purpose of part

The purpose of this part is to supplement previously enacted provisions of law that authorize cities to levy assessments within a business improvement area. This part does not affect or limit any other provisions of law authorizing or providing for the furnishing of improvements or activities or the raising of revenue for these purposes.

§ 36603. Preemption of authority or charter city to adopt ordinances levying assessments

Nothing in this part is intended to preempt the authority of a charter city to adopt ordinances providing for a different method of levying assessments for similar or additional purposes from those set forth in this part. A property and business improvement district created pursuant to this part is expressly exempt from the provisions of the Special Assessment Investigation, Limitation and Majority Protest Act of 1931 (Division 4 (commencing with Section 2800)).

§ 36603.5. Part prevails over conflicting provisions

Any provision in this part that conflicts with any other provision of law shall prevail over the other provision of law.

§ 36604. Severability

This part is intended to be construed liberally and, if any provision is held invalid, the remaining provisions shall remain in full force and effect. Assessments levied under this part are not special taxes.

§ 36605. [Section repealed 2001.]

§ 36606. "Assessment"

"Assessment" means a levy for the purpose of acquiring, constructing, installing, or maintaining improvements and promoting activities which will benefit the properties or businesses located within a property and business improvement district.

§ 36607. "Business"

"Business" means all types of businesses and includes financial institutions and professions.

§ 36608. "City"

"City" means a city, county, city and county, or an agency or entity created pursuant to Article 1 (commencing with *Section 6500*) of *Chapter 5 of Division 7 of Title 1 of the Government Code*, the public member agencies of which includes only cities, counties, or a city and county.

§ 36609. "City council"

"City council" means the city council of a city or the board of supervisors of a county, or the agency, commission, or board created pursuant to a joint powers agreement and which is a city within the meaning of this part.

§ 36610. 'Improvement'

"Improvement" means the acquisition, construction, installation, or maintenance of any tangible property with an estimated useful life of five years or more including, but not limited to, the following:

- (a) Parking facilities.
- (b) Benches, booths, kiosks, display cases, pedestrian shelters and signs.
- (c) Trash receptacles and public restrooms.
- (d) Lighting and heating facilities.
- (e) Decorations.
- (f) Parks.
- (g) Fountains.
- (h) Planting areas.
- (i) Closing, opening, widening, or narrowing of existing streets.
- (j) Facilities or equipment, or both, to enhance security of persons and property within the area.
- (k) Ramps, sidewalks, plazas, and pedestrian malls.
- (l) Rehabilitation or removal of existing structures.

§ 36611. "Property and business improvement district"; "District"

"Property and business improvement district," or "district," means a property and business improvement district established pursuant to this part.

§ 36612. "Property"

"Property" means real property situated within a district.

§ 36613. "Activities"

"Activities" means, but is not limited to, all of the following:

- (a) Promotion of public events which benefit businesses or real property in the district.
- (b) Furnishing of music in any public place within the district.
- (c) Promotion of tourism within the district.
- (d) Marketing and economic development, including retail retention and recruitment.
- (e) Providing security, sanitation, graffiti removal, street and sidewalk cleaning, and other municipal services supplemental to those normally provided by the municipality.

(f) Activities which benefit businesses and real property located in the district.

§ 36614. "Management district plan"; "Plan"

"Management district plan" or "plan" means a proposal as defined in Section 36622.

§ 36614.5. "Owners' association"

"Owners' association" means a private nonprofit entity that is under contract with a city to administer or implement activities and improvements specified in the management district plan. An owners' association may be an existing nonprofit entity or a newly formed nonprofit entity. An owners' association is a private entity and may not be considered a public entity for any purpose, nor may its board members or staff be considered to be public officials for any purpose. Notwithstanding this section, an owners' association shall comply with the Ralph M. Brown Act (Chapter 9 (commencing with *Section 54950*) of *Part 1 of Division 2 of Title 5 of the Government Code*), at all times when matters within the subject matter of the district are heard, discussed, or deliberated, and with the California Public Records Act (Chapter 3.5 (commencing with *Section 6250*) of *Division 7 of Title 1 of the Government Code*), for all documents relating to activities of the district.

§ 36615. "Property owner"; "Owner"

"Property owner" or "owner" means any person shown as the owner of land on the last equalized assessment roll or otherwise known to be the owner of land by the city council. The city council has no obligation to obtain other information as to the ownership of land, and its determination of ownership shall be final and conclusive for the purposes of this part. Wherever this subdivision requires the signature of the property owner, the signature of the authorized agent of the property owner shall be sufficient.

§ 36616. "Tenant"

"Tenant" means an occupant pursuant to a lease of commercial space or a dwelling unit, other than an owner.

§ 36617. Alternate method of financing certain improvements and activities; Effect on other provisions

This part provides an alternative method of financing certain improvements and activities. The provisions of this part shall not affect or limit any other provisions of law authorizing or providing for the furnishing of improvements or activities or the raising of revenue for these purposes. Every improvement area established pursuant to the Parking and Business Improvement Area Law of 1989 (Part 6 (commencing with Section 36500) of this division) is valid and effective and is unaffected by this part.

§ 36620. Establishment of property and business improvement district

A property and business improvement district may be established as provided in this chapter.

§ 36620.5. Requirement of consent of city council

A county may not form a district within the territorial jurisdiction of a city without the consent of the city council of that city. A city may not form a district within the unincorporated territory of a county without the consent of the board of supervisors of that county. A city may not form a district within the territorial jurisdiction of another city without the consent of the city council of the other city.

§ 36621. Initiation of proceedings; Petition of property or business owners in proposed district

(a) Upon the submission of a written petition, signed by the property or business owners in the proposed district who will pay more than 50 percent of the assessments proposed to be levied, the city council may initiate proceedings to form a district by the adoption of a resolution expressing its intention to form a district. The amount of assessment attributable to property or a business owned by the same property or business owner that is in excess of 40 percent of the amount of all assessments proposed to be levied, shall not be included in determining whether the petition is signed by property or business owners who will pay more than 50 percent of the total amount of assessments proposed to be levied.

(b) The petition of property or business owners required under subdivision (a) shall include a summary of the management district plan. That summary shall include all of the following:

(1) A map showing the boundaries of the district.

(2) Information specifying where the complete management district plan can be obtained.

(3) Information specifying that the complete management district plan shall be furnished upon request.

(c) The resolution of intention described in subdivision (a) shall contain all of the following:

(1) A brief description of the proposed activities and improvements, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property or businesses within the district, a statement as to whether bonds will be issued, and a description of the exterior boundaries of the proposed district. The descriptions and statements do not need to be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements and activities and the location and extent of the proposed district.

(2) A time and place for a public hearing on the establishment of the property and business improvement district and the levy of assessments, which shall be consistent with the requirements of Section 36623.

§ 36622. Contents of management district plan

The management district plan shall contain all of the following:

(a) A map of the district in sufficient detail to locate each parcel of property and, if businesses are to be assessed, each business within the district.

(b) The name of the proposed district.

(c) A description of the boundaries of the district, including the boundaries of benefit zones, proposed for establishment or extension in a manner sufficient to identify the affected lands and businesses included. The boundaries of a proposed property assessment district shall not overlap with the boundaries of another existing property assessment district created pursuant to this part. This part does not prohibit the boundaries of a district created pursuant to this part to overlap with other assessment districts established pursuant to other provisions of law, including, but not limited to, the Parking and Business Improvement Area Law of 1989 (Part 6 (commencing with Section 36500)). This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with another business assessment district created pursuant to this part. This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with a property assessment district created pursuant to this part.

(d) The improvements and activities proposed for each year of operation of the district and the maximum cost thereof.

(e) The total annual amount proposed to be expended for improvements, maintenance and operations, and debt service in each year of operation of the district.

(f) The proposed source or sources of financing, including the proposed method and basis of levying the assessment in sufficient detail to allow each property or business owner to calculate the amount of the assessment to be levied against his or her property or business. The plan also shall state whether bonds will be issued to finance improvements.

(g) The time and manner of collecting the assessments.

(h) The specific number of years in which assessments will be levied. In a new district, the maximum number of years shall be five. Upon renewal, a district shall have a term not to exceed 10 years. Notwithstanding these limitations, a district created pursuant to this part to finance capital improvements with bonds may levy assessments until the maximum maturity of the bonds. The management district plan may set forth specific increases in assessments for each year of operation of the district.

(i) The proposed time for implementation and completion of the management district plan.

(j) Any proposed rules and regulations to be applicable to the district.

(k) A list of the properties or businesses to be assessed, including the assessor's parcel numbers for properties to be assessed, and a statement of the method or methods by which the expenses of a district will be imposed upon benefited real property or businesses, in proportion to the benefit received by the property or business, to defray the cost thereof, including operation and maintenance. The plan may provide that all or any class or category of real property which is exempt by law from real property taxation may nevertheless be included within the boundaries of the district but shall not be subject to assessment on real property.

(l) Any other item or matter required to be incorporated therein by the city council.

§ 36623. Procedure to levy assessment

(a) If a city council proposes to levy a new or increased property assessment, the notice and protest and hearing procedure shall comply with *Section 53753 of the Government Code*.

(b) If a city council proposes to levy a new or increased business assessment, the notice and protest and hearing procedure shall comply with *Section 54954.6 of the Government Code*, except that notice shall be mailed to the owners of the businesses proposed to be assessed. A protest may be made orally or in writing by any interested person. Every written protest shall be filed with the clerk at or before the time fixed for the public hearing. The city council may waive any irregularity in the form or content of any written protest. A written protest may be withdrawn in writing at any time before the conclusion of the public hearing. Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the city as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business. A written protest which does not comply with this section shall not be counted in determining a majority protest. If written protests are received from the owners of businesses in the proposed district which will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent, no further proceedings to levy the proposed assessment against such businesses, as contained in the resolution of intention, shall be taken for a period of one year from the date of the finding of a majority protest by the city council.

§ 36624. Changes to proposed assessments

At the conclusion of the public hearing to establish the district, the city council may adopt, revise, change, reduce, or modify the proposed assessment or the type or types of improvements and activities to be funded with the revenues from the assessments. Proposed assessments may only be revised by reducing any or all of them. At the public hearing, the city council may only make changes in, to, or from the boundaries of the proposed property and business improvement district that will exclude territory that will not benefit from the proposed improvements or activities. Any modifications, revisions, reductions, or changes to the proposed assessment district shall be reflected in the notice and map recorded pursuant to Section 36627.

§ 36625. Resolution of formation

(a) If the city council, following the public hearing, decides to establish the proposed property and business improvement district, the city council shall adopt a resolution of formation that shall contain all of the following:

(1) A brief description of the proposed activities and improvements, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property or businesses within the district, a statement about whether bonds will be issued, and a description of the exterior boundaries of the proposed district. The descriptions and statements do not need to be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements and activities and the location and extent of the proposed district.

(2) The number, date of adoption, and title of the resolution of intention.

(3) The time and place where the public hearing was held concerning the establishment of the district.

(4) A determination regarding any protests received. The city shall not establish the district or levy assessments if a majority protest was received.

(5) A statement that the properties or businesses in the district established by the resolution shall be subject to any amendments to this part.

(6) A statement that the improvements and activities to be provided in the district will be funded by the levy of the assessments. The revenue from the levy of assessments within a district shall not be used to provide improvements or activities outside the district or for any purpose other than the purposes specified in the resolution of intention, as modified by the city council at the hearing concerning establishment of the district.

(7) A finding that the property or businesses within the area of the property and business improvement district will be benefited by the improvements and activities funded by the assessments proposed to be levied.

(b) The adoption of the resolution of formation and recordation of the notice and map pursuant to Section 36627 shall constitute the levy of an assessment in each of the fiscal years referred to in the management district plan.

§ 36626. Resolution establishing district

If the city council, following the public hearing, desires to establish the proposed property and business improvement district, and the city council has not made changes pursuant to Section 36624, or has made changes that do not substantially change the proposed assessment, the city council shall adopt a resolution establishing the district. The resolution shall contain all of the information specified in paragraphs (1) to (8), inclusive, of subdivision (b) of Section 36625, but need not contain information about the preliminary resolution if none has been adopted.

§ 36626.7. [Section repealed 1999.]

§ 36627. Notice and assessment diagram

Following adoption of the resolution establishing the district pursuant to Section 36625 or 36626, the clerk of the city shall record a notice and an assessment diagram pursuant to Section 3114. If the assessment is levied on businesses, the text of the recorded notice shall be modified to reflect that the assessment will be levied on businesses, or specified categories of businesses, within the area of the district. No other provision of Division 4.5 (commencing with Section 3100) applies to an assessment district created pursuant to this part.

§ 36628. Establishment of separate benefit zones within district; Categories of businesses

The city council may establish one or more separate benefit zones within the district based upon the degree of benefit derived from the improvements or activities to be provided within the benefit zone and may impose a different assessment within each benefit zone. If the assessment is to be levied on businesses, the city council may also define categories of businesses based upon the degree of benefit that each will derive from the improvements or activities to be provided within the district and may impose a different assessment or rate of assessment on each category of business, or on each category of business within each zone.

§ 36628.5. Assessments on businesses or property owners

The city council may levy assessments on businesses or on property owners, or a combination of the two, pursuant to this part. The city council shall structure the assessments in whatever manner it determines corresponds with the distribution of benefits from the proposed improvements and activities.

§ 36629. Provisions and procedures applicable to benefit zones and business categories

All provisions of this part applicable to the establishment, modification, or disestablishment of a property and business improvement district apply to the establishment, modification, or disestablishment of benefit zones or categories of business. The city council shall, to establish, modify, or disestablish a benefit zone or category of business, follow the procedure to establish, modify, or disestablish a parking and business improvement area.

§ 36630. Expiration of district; Creation of new district

If a property and business improvement district expires due to the time limit set pursuant to subdivision (h) of Section 36622, a new management district plan may be created and a new district established pursuant to this part.

§ 36631. Time and manner of collection of assessments; Delinquent payments

The collection of the assessments levied pursuant to this part shall be made at the time and in the manner set forth by the city council in the resolution establishing the management district plan described in Section 36622. Assessments levied on real property may be collected at the same time and in the same manner as for the ad valorem property tax, and may provide for the same lien priority and penalties for delinquent payment. All delinquent payments for assessments levied pursuant to this part shall be charged interest and penalties.

§ 36632. Assessments to be based on estimated benefit; Classification of real property and businesses; Exclusion of residential and agricultural property

(a) The assessments levied on real property pursuant to this part shall be levied on the basis of the estimated benefit to the real property within the property and business improvement

district. The city council may classify properties for purposes of determining the benefit to property of the improvements and activities provided pursuant to this part.

(b) Assessments levied on businesses pursuant to this part shall be levied on the basis of the estimated benefit to the businesses within the property and business improvement district. The city council may classify businesses for purposes of determining the benefit to the businesses of the improvements and activities provided pursuant to this part.

(c) Properties zoned solely for residential use, or that are zoned for agricultural use, are conclusively presumed not to benefit from the improvements and service funded through these assessments, and shall not be subject to any assessment pursuant to this part.

§ 36633. Time for contesting validity of assessment

The validity of an assessment levied under this part shall not be contested in any action or proceeding unless the action or proceeding is commenced within 30 days after the resolution levying the assessment is adopted pursuant to Section 36626. Any appeal from a final judgment in an action or proceeding shall be perfected within 30 days after the entry of judgment.

§ 36634. Service contracts authorized to establish levels of city services

The city council may execute baseline service contracts that would establish levels of city services that would continue after a property and business improvement district has been formed.

§ 36635. Request to modify management district plan

The owners' association may, at any time, request that the city council modify the management district plan. Any modification of the management district plan shall be made pursuant to this chapter.

§ 36636. Modification of plan by resolution after public hearing; Adoption of resolution of intention; Modification of improvements and activities by adoption of resolution after public hearing

(a) Upon the written request of the owners' association, the city council may modify the management district plan after conducting one public hearing on the proposed modifications. The city council may modify the improvements and activities to be funded with the revenue derived from the levy of the assessments by adopting a resolution determining to make the modifications after holding a public hearing on the proposed modifications. If the modification includes the levy of a new or increased assessment, the city council shall comply with Section 36623 . Notice of all other public meetings and public hearings pursuant to this section shall comply with both of the following:

(1) The resolution of intention shall be published in a newspaper of general circulation in the city once at least seven days before the public meeting.

(2) A complete copy of the resolution of intention shall be mailed by first class mail, at least 10 days before the public meeting, to each business owner or property owner affected by the proposed modification.

(b) The city council shall adopt a resolution of intention which states the proposed modification prior to the public hearing required by this section. The public hearing shall be held not more than 90 days after the adoption of the resolution of intention.

§ 36637. Reflection of modification in notices recorded and maps

Any subsequent modification of the resolution shall be reflected in subsequent notices and maps recorded pursuant to Division 4.5 (commencing with Section 3100), in a manner consistent with the provisions of Section 36627.

§ 36640. Bonds authorized; Procedure; Restriction on reduction or termination of assessments

(a) The city council may, by resolution, determine and declare that bonds shall be issued to finance the estimated cost of some or all of the proposed improvements described in the resolution of formation adopted pursuant to Section 36625, if the resolution of formation adopted pursuant to that section provides for the issuance of bonds, under the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500)) or in conjunction with Marks-Roos Local Bond Pooling Act of 1985 (Article 4 (commencing with *Section 6584*) of *Chapter 5 of Division 7 of Title 1 of the Government Code*). Either act, as the case may be, shall govern the proceedings relating to the issuance of bonds, although proceedings under the Bond Act of 1915 may be modified by the city council as necessary to accommodate assessments levied upon business pursuant to this part.

(b) The resolution adopted pursuant to subdivision (a) shall generally describe the proposed improvements specified in the resolution of formation adopted pursuant to Section 36625, set forth the estimated cost of those improvements, specify the number of annual installments and the fiscal years during which they are to be collected. The amount of debt service to retire the bonds shall not exceed the amount of revenue estimated to be raised from assessments over 30 years.

(c) Notwithstanding any other provision of this part, assessments levied to pay the principal and interest on any bond issued pursuant to this section shall not be reduced or terminated if doing so would interfere with the timely retirement of the debt.

§ 36641. [Section repealed 2001.]

§ 36642. [Section repealed 2001.]

§ 36643. [Section repealed 2001.]

§ 36650. Report by owners' association; Approval or modification by city council

(a) The owners' association shall cause to be prepared a report for each fiscal year, except the first year, for which assessments are to be levied and collected to pay the costs of the improvements and activities described in the report. The owners' association's first report shall be due after the first year of operation of the district. The report may propose changes, including, but not limited to, the boundaries of the property and business improvement district or any benefit zones within the district, the basis and method of levying the assessments, and any changes in the classification of property, including any categories of business, if a classification is used.

(b) The report shall be filed with the clerk and shall refer to the property and business improvement district by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following information:

(1) Any proposed changes in the boundaries of the property and business improvement district or in any benefit zones or classification of property or businesses within the district.

(2) The improvements and activities to be provided for that fiscal year.

(3) An estimate of the cost of providing the improvements and the activities for that fiscal year.

(4) The method and basis of levying the assessment in sufficient detail to allow each real property or business owner, as appropriate, to estimate the amount of the assessment to be levied against his or her property or business for that fiscal year.

(5) The amount of any surplus or deficit revenues to be carried over from a previous fiscal year.

(6) The amount of any contributions to be made from sources other than assessments levied pursuant to this part.

(c) The city council may approve the report as filed by the owners' association or may modify any particular contained in the report and approve it as modified. Any modification shall be made pursuant to Sections 36635 and 36636.

The city council shall not approve a change in the basis and method of levying assessments that would impair an authorized or executed contract to be paid from the revenues derived from the levy of assessments, including any commitment to pay principal and interest on any bonds issued on behalf of the district.

§ 36651. Designation of owners' association to provide improvements and activities

The management district plan may, but is not required to, state that an owners' association will provide the improvements or activities described in the management district plan. If the management district plan designates an owners' association, the city shall contract with the designated nonprofit corporation to provide services.

§ 36660. Renewal of district; Transfer or refund of remaining revenues; District term limit

(a) Any district previously established whose term has expired, may be renewed by following the procedures for establishment as provided in this chapter.

(b) Upon renewal, any remaining revenues derived from the levy of assessments, or any revenues derived from the sale of assets acquired with the revenues, shall be transferred to the renewed district. If the renewed district includes additional parcels or businesses not included in the prior district, the remaining revenues shall be spent to benefit only the parcels or businesses in the prior district. If the renewed district does not include parcels or businesses included in the prior district, the remaining revenues attributable to these parcels shall be refunded to the owners of these parcels or businesses.

(c) Upon renewal, a district shall have a term not to exceed 10 years, or, if the district is authorized to issue bonds, until the maximum maturity of those bonds. There is no requirement that the boundaries, assessments, improvements, or activities of a renewed district be the same as the original or prior district.

§ 36670. Circumstances permitting disestablishment of district; Procedure

(a) Any district established or extended pursuant to the provisions of this part, where there is no indebtedness, outstanding and unpaid, incurred to accomplish any of the purposes of the district, may be disestablished by resolution by the city council in either of the following circumstances:

(1) If the city council finds there has been misappropriation of funds, malfeasance, or a violation of law in connection with the management of the district, it shall notice a hearing on disestablishment.

(2) During the operation of the district, there shall be a 30-day period each year in which assesses may request disestablishment of the district. The first such period shall begin one year after the date of establishment of the district and shall continue for 30 days. The next such 30-day period shall begin two years after the date of the establishment of the district. Each successive year of operation of the district shall have such a 30-day period. Upon the written petition of the owners of real property or of businesses in the area who pay 50 percent or more of the assessments levied, the city council shall pass a resolution of intention to disestablish the district. The city council shall notice a hearing on disestablishment.

(b) The city council shall adopt a resolution of intention to disestablish the district prior to the public hearing required by this section. The resolution shall state the reason for the disestablishment, shall state the time and place of the public hearing, and shall contain a proposal to dispose of any assets acquired with the revenues of the assessments levied within the property and business improvement district. The notice of the hearing on disestablishment required by this section shall be given by mail to the property owner of each parcel or to the owner of each business subject to assessment in the district, as appropriate. The city shall conduct the public hearing not less than 30 days after mailing the notice to the property or business owners. The public hearing shall be held not more than 60 days after the adoption of the resolution of intention.

§ 36671. Refund of remaining revenues upon disestablishment of district; Calculation of refund; Use of outstanding revenue collected after disestablishment of district

(a) Upon the disestablishment of a district, any remaining revenues, after all outstanding debts are paid, derived from the levy of assessments, or derived from the sale of assets acquired with the revenues, or from bond reserve or construction funds, shall be refunded to the owners of the property or businesses then located and operating within the district in which assessments were levied by applying the same method and basis that was used to calculate the assessments levied in the fiscal year in which the district is disestablished. All outstanding assessment revenue collected after disestablishment shall be spent on improvements and activities specified in the management district plan.

(b) If the disestablishment occurs before an assessment is levied for the fiscal year, the method and basis that was used to calculate the assessments levied in the immediate prior fiscal year shall be used to calculate the amount of any refund.
